

**PERSONAL REPORT AND THANK YOU FROM BOOTSCOOTERS S.A. ON  
BREAKOUT WEEKEND WITH MAGGIE GALLAGHER ...21-22<sup>nd</sup> MAY 2010**

"Ten out of 10" to Nancy and her team from Outlaws S.A. who **"Gave it all Away"** when she said, **"All I want is You"**, Line Dancers, to **"Gimme a chance"** and I'll bring you, the **"Irish Spirit:"** to South African shores...I guarantee you, you'll **"Love Love Love" MAGGIE GALLAGHER!** Well she couldn't have been more right! Maggie G is undoubtedly **"Everybody's Someone"** and after the first hour of the event, we were all saying, this is **"Where I Belong"**.

This very well organized event was held at the Berario Recreation Centre in Johannesburg, a great venue with a large floor and was attended by line dancers from around the country all wanting to learn something from Maggie, and boy did we learn!

It was a **"Knockdown"** event and just what the **"Doctor Order(ed)"**, **"Just Wright"** and certainly not **"Just a Memory"**.

In line dancing, **"T'Morrow Never Knows"** what new and wonderful dances and moves we'll learn next but at this event, no one was a **"Quitter"** and there was **"Something Good"** for all the **"Sexy Chicks"** and guys who were determined to just **"Go With It"** and have a **"Real Time"**, right up **"Until the End"**.

On the Saturday evening, this very fit, **"Celtic Kitten"**, with her bubbly personality and heaps of energy, blew us away and left the audience (and herself, *I have to add*) totally **"Breathless"** with her brilliant Irish Dance demonstration. Those that were there will remember how she left Nancy's husband Dave a little **"Breathless"** too with her steamy performance as he entertained us by **"Singing the Blues"**. Hats off to the multi-talented Mawdsley family whose beautiful daughter Laura also gave a fiery belly dance performance on the same evening and whose son Adam, did a great job of the deejaying and sound.

I'm sure a very, **"Drowsy Maggie"** will return to the UK after a jampacked weekend **"Jig(ging) it up"** entertaining and teaching us her newest dances but we were so pleased to have her as our own **"Guardian Angel"** as she continually moved from wall to wall for all to follow while she was teaching.

To **"Rub it In"** even further, be sure to watch **"Wakira"** a fantastic new dance of Maggie's to "Waka Waka (This Time for Africa)", the official 2010 Fifa World Cup song by Shakira featuring our very own, Freshlyground on You-Tube.

Line Dancers who attended are saying...**"Loving You"** Maggie G and hope to have you back again!

Nancy however is saying....**"Buy me a Drink!!!"**  
**Yours in Line**
